Salute shall not be liable for any damage to the premises or injury to any person at the premises at which the goods are stored unless such damage or injury is caused solely by the willful negligence of Salute, its servants or agents.
12. The production of a copy of these terms and conditions shall constitute and evidence Salute authority to enter any premises on which the goods are or may be stored and at the discretion of Salute to remove such goods or therefrom.

GUARANTEE AND INDEMNITY

DEED POLL OF GUARANTEE AND INDEMNITY

By the persons specified below as the Guarantor or Guarantors in the Reference Schedule to this deed (Guarantor)

In favour of Salute (SA) Pty Ltd (ACN 105 084 688) in its capacity t/as "Salute" (Beneficiary)

INTRODUCTION:

- A. At the request of the Guarantor, the Beneficiary has agreed to enter into the Credit Agreement between the entity specified in the Reference Schedule as the Applicant (**Applicant** or **Debtor**) and Salute dated on or about the date of this agreement (**Agreement**).
- B. The Guarantor acknowledges that the Beneficiary is entering into the Agreement in reliance on this Guarantee.

IT IS AGREED:

1. (**Guarantee**) In consideration of any financial accommodation that the Beneficiary may make available to or for the benefit of the Debtor, the Guarantor guarantees to the Beneficiary the due and punctual payment by the Debtor to the Beneficiary of the all amounts that are payable, owing but not payable, or that otherwise remain unpaid by the Debtor to the Beneficiary on any account at any time under or in connection with the Agreement or any transaction contemplated by the Agreement, whether present or future, actual or contingent or incurred alone, jointly, severally or jointly and severally and without regard to the capacity in which the Debtor is liable (**Guaranteed Money**) and performance by the Debtor of the obligations of the Debtor to pay the Guaranteed Money and all its other obligations to the Beneficiary (monetary or non-monetary, present or future, actual or contingent) arising under or in connection with the Agreement (**Guaranteed Obligations**). If the Debtor defaults in the due and punctual payment of any Guaranteed Money, the Guarantor must pay that money on demand to, or as directed by, the Beneficiary. If the Debtor defaults in the due and punctual performance of any Guaranteed Obligation, the Guarantor must: (i) indemnify the Beneficiary against all losses, liabilities and expenses (including legal expenses on a full indemnity basis) that the Beneficiary incurs (directly or indirectly) as a result of that default; and (ii) pay the amount of those losses, liabilities and expenses on demand to, or as directed by, the Beneficiary. The Guarantor's obligations in this deed are principal obligations and may be enforced against the Guarantor without the Beneficiary first being required to exhaust any remedy it may have against the Debtor or enforce any security it may hold relating to the Guaranteed Obligations. This deed is a continuing guarantee. The Guarantor's obligations in this deed are absolute, unconditional and irrevocable. The liability of the Guarantor under this deed extends to and is not affected by any circumstance, act or omission which, but for this clause 4, might otherwise affect it at law or in equity. Until the Guaranteed Obligations have been irrevocably paid and performed in full, the Guarantor may not exercise any right of subrogation to the Beneficiary and may not exercise any rights as surety in competition with the Beneficiary.
2. (**Indemnity**) For the consideration mentioned in clause 1, the Guarantor (as primary obligor) must unconditionally indemnify the Beneficiary against, and must pay the Beneficiary on demand the amount of, any loss that the Beneficiary may suffer because the Guaranteed Obligations are unenforceable or the Guaranteed Money is not recoverable from the Debtor or is repaid or restored after it has been recovered, including the amount of any Guaranteed Money (or any money which, if recoverable, would have formed part of the Guaranteed Money) that is not or may not be recoverable. The indemnity in this clause 2 extends to any money that is not recoverable because of any legal limitation, disability or incapacity of or affecting the Debtor or any other person; because any transaction relating to that money was void, illegal, voidable or unenforceable; whether or not the Beneficiary knew or should have known any of the relevant matters or facts; and because of any fact or circumstance. The Guarantor must indemnify the Beneficiary against, and must pay the Beneficiary on demand the amount of, all losses, liabilities, expenses and taxes incurred in connection with any actual or attempted preservation or enforcement, of any rights under this deed, including legal expenses on a full indemnity basis.
3. (**Demand and statements by the Beneficiary**) A demand by the Beneficiary under this deed may be signed by any of its managers or other officers, or any of its solicitors, and served on the Debtor at its registered office or on the Guarantor at its address shown below. If posted, with the postage prepaid, the demand will be taken to have been served two business days after posting. A statement by an authorised representative of the Beneficiary on any matter relating to this deed (including any amount owing by the Guarantor) is conclusive unless clearly wrong on its face.
4. (**Termination of Guarantor's obligations**) The Guarantor may terminate its obligations under this deed by giving 30 days' written notice to the Beneficiary. The Guarantor's obligations will terminate on the date of expiry of the notice period, but only in respect of financial accommodation (if any) that the Beneficiary agrees, after that date, to make available to, or for the benefit of, the Debtor.]
5. (**Interpretation**) In this deed, if a party to this deed is made up of more than one person, or a term is used in this deed to refer to more than one party: (a) an obligation of those persons is joint and several; (b) a right of those persons is held by each of them severally; and (c) any other reference to that party or term is a reference to each of those persons separately, so that (for example) a representation, warranty or undertaking is given by each of them separately.
6. (**Execution by less than all Guarantors**) This deed binds each of the persons executing it even if: (a) one or more of the persons named in this deed as a Guarantor does not execute this deed or is not bound or ceases to be bound by this deed.

Executed as a deed poll.
