# CUSTOM PRINTING SERVICES AVAILABLE

Salute offers custom printing options that help your business stand out with branded packaging and promotional materials. Whether you need personalised bags, boxes, cups, or labels, our printing services deliver high-quality, professional results tailored to your specific design and branding requirements. Enabling you to create a consistent, memorable customer experience while showcasing your unique identity. *Contact your account manager or customer service today to learn more.*

## Customer Testimonial

# BEERENBERG FARM

**S: How did your partnership with Salute Better Solutions begin?**

B: Our partnership began through a shared commitment to quality and mutual support. As an Adelaide Hills-based family business, we strongly believe in backing South Australian businesses that share our values, take pride in what they do, and support us as genuinely as we support them.

**S: What has your overall experience been like working with our team?**

B: Our experience has been nothing but positive. The Salute team is reliable and approachable, and the trust we have in their account managers and team makes all the difference.

**S: How would you describe our communication and collaboration process?**

B: Communication is clear, responsive, and collaborative. It feels like a genuine partnership rather than a transactional supplier relationship.

**S: What sets Salute Better Solutions apart from other clients or partners you've worked with?**

B: Salute stands out for their willingness to go the extra mile and their genuine investment in our success. We value working with partners who share our values and take pride in supporting local businesses.

**S: How would you rate the professionalism and reliability of our organisation?**

B: Salute Better Solutions consistently demonstrates a high level of professionalism and reliability. We trust them to deliver and to represent the same standards we hold ourselves to.

# COMPLIANCE

## WHAT MAKES US DIFFERENT

Compliance isn't just a box to tick—it's a cornerstone of how Salute operates. By ensuring that every process, procedure, and product meets the highest standards, we protect our people, our partners, and our customers. It creates trust, reduces risk, and ensures that everything we deliver is safe, reliable, and consistent.

At Salute, compliance is fully integrated into everything we do. From staff training and operational procedures to supply chain management, it's built into our day-to-day approach rather than treated as a separate function. This commitment sets us apart, giving our clients confidence that working with Salute means working with a business that values integrity, accountability, and excellence at every level.

**Behind every great achievement at Salute is a team of remarkable women.**

This International Women's day we took the time to reflect on the important role women play at Salute. Their care, skill, and dedication touch every part of our business, shaping the way we work and the experiences we create.

From the quiet attention to detail to the leadership and energy they bring every day, these women make a real difference across all our locations. We're proud to work alongside such a talented and inspiring group, and we want to say thank you for everything you contribute—your impact is felt everywhere.
