SDS available from our website

Fragrance = Vanilla

Sanitiser

Appearance = Caramel Liquid

Shelf Life = 2 Years

Pack Size = 3 x 5L

PRODUCT USE

ADZORBA can be used in a jet spray, trigger spray or mop & bucket.

HARD SURFACES: Dilute 1:10 with water.

DEODERISER: Dilute up to 1:10 with water and spray into the air. For best results close room for 10 minutes to allow ADZORBA to work.

SOFT FURNISHINGS & CARPETS: Dilute 1:5 with water. Lightly spray over the surface and leave to dry. Do not over wet the surface.
