Disinfectant

Fragrance = Oceanic

Appearance = Blue thick liquid

Shelf Life = 2 years

Pack Size = 12x1L, 15L, 25L, 3x5L

PRODUCT USE

LIGHT DUTY: Dilute 1:20 with water.

HEAVY DUTY: Use NEAT.

TOILET BOWLS & URINALS: Apply BLUE LAZER liberally over the surface and under the rim of toilet bowl. Allow time to penetrate and then flush away.

SHOWERS: Apply BLUE LAZER liberally and gently scrub.

GENERAL BATHROOM CLEANING: Apply BLUE LAZER to surface then mop or sponge to clean.

For best results, allow to penetrate for 2 to 3 minutes.

Rinse well after use.
