Meets Environmental Criteria

Safelock packaging

Fragrance = Pine

Appearance = Green liquid

Shelf Life = 2 years

Pack Size = 3 x 5L

**PRODUCT USE**

Safelock Packaging is a sealed system to stop free pouring or spilling. BLITZ must be used with a dispensing solution for maximum benefits.

**LIGHT DUTY:** Dilute 1:20 with water.

**MEDIUM DUTY:** Dilute 1:10 with water.

**HEAVY DUTY:** For hard to remove soils and stains, use at greater concentrations.

**TOILET BOWLS & URINALS:** Apply BLITZ liberally over surface and under rim of toilet. Scrub and flush with water.

**SHOWERS:** Apply BLITZ liberally and gently scrub.

**GENERAL BATHROOM CLEANING:** Apply BLITZ to surface then mop or sponge to clean.

For best results, allow to penetrate for 2 to 3 minutes.

Rinse well after use.
