PRODUCT USE

GRAFFITI & PAINT REMOVER: Apply GRAFFITI REMOVER and allow 5 to 10 minutes to work. For gloss enamel paints, scourer with steel wool or scourer pad before applying GRAFFITI REMOVER to help it penetrate. Wipe off with a cloth, hose off or clean with a pressure washer to remove paint.

ADHESIVE RESIDUES: Apply GRAFFITI REMOVER and allow 1 to 5 minutes to work. Wipe off with a cloth.

CHEWING GUM: Apply GRAFFITI REMOVER to the gum and allow 3 to 5 minutes to work. Use a spatula or a knife to scrape the gum from the surface.

CARPET STAINS: Apply GRAFFITI REMOVER to the stain and allow 5 to 10 minutes to work. Blot with an absorbent cloth to remove.
