

KLORDEX

MACHINE DISHWASHING POWDER

Chlorinated powder formulated for crockery, cutlery and all kitchen utensils.

PRODUCT FEATURES & BENEFITS

- Sparkling finish
- Cleans & sanitises
- Removes stains & build ups

PRODUCT INFORMATION

KLORDEX is a chlorinated, alkaline, powder detergent with inbuilt water softening and rinse aid for a streak free finish.

KLORDEX contains chlorine that chemically sanitises during each cycle and removes stains.

SDS available from our website

PRODUCT USE

MACHINE DISHWASHING: For the initial dose, use 2 scoops (120g) for each 30L capacity of the dishwasher. Use 1 scoop (60g) for each half an hour of operation.

SOAKING: Dissolve 3 scoops (180g) to each 5L of water. Allow stained items to soak for 10 to 30 minutes. Remove and rinse well.

Suitable for use in food preparation establishments
