- Loosens dirt & stains in the wash

PRODUCT INFORMATION

SAFELOCK L1 is a caustic laundry break with water softeners and detergents to loosen and remove soils in the wash.

SDS available from our website

Safelock packaging

Fragrance free

Appearance = Clear liquid

Shelf Life = 2 years

Pack Size = 2 x 5L

PRODUCT USE

Safelock Packaging is a sealed system to stop free pouring or spilling. SAFELOCK L1 must be used with a dispensing solution for maximum benefits.

It is generally recommended that SAFELOCK L1 be used in quantities varying from 3 to 4 mL per kg of wash load.

Use SAFELOCK L1 in conjunction with the other products in the SAFELOCK LAUNDRY RANGE for a customised laundry solution. For detailed Laundry Programs please contact us.

The quantities may vary according to individual requirements. The quantities may need to be increased in areas where the water is exceptionally hard.
