

SHORE SOUR SOFT

FABRIC CONDITIONER & NEUTRALISER

Softens all fabrics leaving an appealing floral scent.

PRODUCT FEATURES & BENEFITS

- Softens all fabrics
- Neutralises
- Anti static formulation
- Leaves a fresh floral scent

PRODUCT INFORMATION

SHORE SOUR SOFT contains a fabric softener to leave fabric soft to the touch.

SHORE SOUR SOFT is an acid neutraliser to be used at the end of a cycle to ensure linen does not contain any residual alkalinity.

SDS available from our website

PRODUCT USE

It is generally recommended that SHORE SOUR SOFT be used in quantities varying from 1 to 2 mL per kg of wash load.

Use SHORE SOUR SOFT in conjunction with the other products in the SHORE RANGE for a customised laundry solution. For detailed Laundry Programs please contact us.

The quantities may vary according to individual requirements.
