DESCRIPTION

Pari Bathroom Cleaner is a washroom cleaner infused with Kakadu Plum, Lemon Myrtle, Quandong and Eucalyptus Oil. Lemon Myrtle is recognised by the aromatherapy industry for its uplifting freshness, it's water soluble actives and strong cleaning properties leaves all areas clean and smelling fresh. Eucalyptus Oil is recognised antibacterial, grease cutting and cleaning properties.

Pari Bathroom Cleaner can be used to clean bathrooms, toilets, showers and tiles and will tackle the dirtiest of bathrooms to reduce soap scum and reduce scale and water-marks often found in high water areas. Pari bathroom cleaner contains a blend of natural ingredients and is safe for most hard surfaces and is gentle on septic systems. Pari (pronounced bar-ee) =

River. We thank Kurna Warra Karrpanthi for allowing us to use Kurna language within our business. Our Lemon Myrtle is harvested from the Northern Rivers of NSW, our Quandong is sourced out of South Australia, our Eucalyptus Oil is 100% Australian, while our Kakadu Plum is supplied by the Bardi People of Lombadina in the Kimberley region of WA.

DIRECTIONS FOR USE

Heavy Duty - dilute 100ml per litre (10:1), use at 200ml per litre on urinals (5:1), for stubborn stains or deep cleaning use undiluted. Light Duty - dilute at 25ml per litre (40:1).

Apply solution and work to foam, allow to stand for 3-4 minutes for ingredients to become active. Re-scrub and rinse with fresh water to remove residues.
